## Summary information

---

<b>Repository:</b>	Trent University Archives
<b>Title:</b>	Indian and Northern Affairs newspaper clippings collection
<b>Reference code:</b>	23-013
<b>Date:</b>	1989 - 1990 (creation)
<b>Physical description:</b>	62.5 cm of textual records (5 boxes)

---

## Scope and content

---

Collection consists of photocopies of newspaper clippings gathered as part of the press clippings service for Indian and Northern Affairs from June 10 1989 to August 30 1990. The photocopies are on a wide range of topics all concerning Indigenous peoples and communities. A large portion of the articles are about the Oka Crisis with mention to Alanis Obomsawin and the Kanehsatake Resistance, as well as the Meech Lake Accord with mention to Premier Robert Bourassa and the groups, The Native Council of Canada, The Inuit Tapirisat of Canada, and The Assembly of First Nations.

---

## Notes

---

### Immediate source of acquisition

Files were previously kept in the Native Studies Reading Room in Bata Library, and transferred to the Archives by Library staff in 2023.

### Restrictions on access

None

### Note [General]

Some pages are missing, along with some files having an incomplete table of contents.

### Other notes

- **Publication status:** Published
- 

## Access points
